

Jason FELICE

GOAL

Bring all voices into a sustainable software development practice; collaborate, facilitate, and mentor; celebrate beautiful code, geek joy, emergent behavior, and math.

PROFILE

I've been: a consultant, a tech lead, an architecture reviewer, a one-person software department, a business analyst, a process hacker, a network administrator, a game developer, a salesperson, the Person Who Automated Themselves Out of a Job, a web developer, an inventor of algorithmic solutions, an evangelist, the Chief Technology Officer, the Person Who Made It Faster With Assembly, an Open Source contributor, and barista.
